

In Partnership with

INSULATED CONCRETE FORM (ICF) HOME SHOW

July 31 2007

11 am - 2 pm

*South East Corner of Marcus Garvey Boulevard and Halsey Street
Brooklyn, New York*

Think Outside the Stick-Framed Box.

Don't miss this chance to tour a home built with ICF's.

A presentation will be given showing the advantages of building a concrete home, including lower utility costs, lower insurance premiums and sound/noise reduction.

Lunch and Refreshments will be served. Construction Site Attire.

Please RSVP to Theresa Stella at (718) 842-5997 no later than July 26, 2007.
